FYI see below. Also, we have renewed interest from YCAG to meet with NDEP and we are working on scheduling a meeting on Friday April 14.

Thanks for asking Brian.

I will get in touch with them and let you know. In the meantime, I would recommend sending a letter and copying NDEP and EPA.

Greg:

Just a quick update - we've been able to make contact with the Walker River tribe and they are open the week of May 9th for a meeting. We have tried for two weeks now to contact Chairwoman Thom and the environmental director with the YPT, but they have yet to respond to our voicemail or emails. Do you have any advice as to how to get their attention?

Thanks,

Brian S. Johnson
